REFERRAL OF AGENCY REPORTS

State of Wisconsin
Department of Health and Family Services
Madison

March 27, 1998

To the Honorable, the Assembly:

Pursuant to s. 46.76(5), Wis. Stats., I am pleased to provide you with a copy of Hunger Prevention in Wisconsin. This report was developed to be in compliance with the requirements of 1993 Wisconsin Act 168 which established a Board on Hunger charged with developing an annual plan “that documents areas of hunger and populations experiencing hunger within these areas and populations.” According to the legislation, the report is to be submitted to the Governor, the Secretary, the Superintendent of Public Instruction and the appropriate standing committees of the state legislature.

The attached report acknowledges that Wisconsin continues to be a national leader with a healthy economy and low unemployment. Participation in the largest government food assistance program, the food stamp program, has declined. There are some signs however, that hunger and food insecurity exist for some Wisconsin residents. Evidence of this lies in the increase in demand for emergency food assistance in food pantries and soup kitchens in both rural and urban areas of our state.

The State Hunger Prevention Grants authorized in 1993 Wisconsin Act 168 have permitted local groups to develop some innovative responses to local hunger problems. Activities, which maximize contributions from many different sources and which, allow for a comprehensive integrated approach have the best chance of success. The report includes a set of recommendations that can serve as an

agenda for future leaders in hunger prevention. As recommended, an Advisory Council on Hunger Prevention with leadership provided from both the private and public sectors could provide leadership for the implementation of these recommendations.

Sincerely,
SUSAN N. DREYFUS
Administrator
Chair, Board on Hunger

Referred to committee on **Health**.

AGENCY REPORTS

State of Wisconsin
Department of Health and Family Services
Madison

April 2, 1998

To the Honorable, the Assembly:

The biennial budget bill, 1983 Wisconsin Act 27, created s. 46.275, Community Integration Program (CIP) for Residents of State Centers. The intent of this program “is to relocate persons from the state centers for the developmentally disabled into appropriate community settings with the assistance of home and community-based services and with continuity of care. The intent of the program is also to minimize its impact on state employees through redeployment of employees into vacant positions.” S. 46.275(5m) requires the Department to submit a report to the Joint Committee on Finance and to the Chief Clerk of each house of the Legislature describing the program’s impact during the preceding calendar year on state employees, including the Department’s efforts to redeploy employees into vacant positions and the number of employees laid off.

For the period of January 1, 1997 to December 31, 1997, there were 75 placements of center residents into the community. For fiscal year 1997, reductions of \$4,817,271 and 107.80 FTE were made in the budget for the purpose of CIP placements. For the period July 1, 1997 through December 31, 1997, sufficient reductions will be made in the fiscal year 1998 operating budget to reflect reductions for CIP placements. Reductions of positions and dollars have been made for calendar year 1997 with only two employees being laid off during the year. Six layoffs have occurred at the centers due to the CIP program since the program began in 1983. All other reductions have been absorbed through attrition of employees.

For calendar year 1998, there will be a significantly greater number of employees placed at risk and actually laid off. For the period, January 1, 1998 through March 31, 1998, 115 employees have been placed at risk with 19 layoffs to date. Additional employees will be placed at risk and laid off between April 1 and June 30, 1998.

Sincerely,
JOE LEEAN
Secretary, DHFS
